## SPONSORSHIP PROPOSAL

# Invitation

**The Interventional Radiology Society of Australasia (IRSA) is seeking sponsorship towards our 2021 Annual Scientific Meeting (ASM) being held on the Gold Coast in Queensland.**

The ASM is being held at the Marriott Hotel, Gold Coast, with accommodation being offered at this stunningly renovated venue.

IRSA is once again planning on providing an ASM where both industry and delegates can interact throughout the scientific and social programs. Industry can expect delegates including interventional radiologists and nurses, radiographers and registrars.

The 2021 ASM Convenors, Dr John Grieve and Dr Muddassir Rashid, are finalising the scientific program, which includes outstanding international speakers and Australasian Faculty.

The theme is 'Interventional Oncology', the youngest and most rapidly growing offshoot of interventional radiology.

IRSA has taken every endeavour for MTAA compliance: including maintaining full control over the scientific program and diligent use of sponsorship on delegates and speakers only.

We are excited to advise that in 2021 the scientific program will run from the morning of Tuesday the 29th of June to the evening of Thursday the 1st July, making 2021's ASM the longest IRSA ASM to date, allowing more time for delegates to visit sponsor exhibitions and network.

In 2021 we are introducing new sponsorship opportunities. These additional options will be allocated on a first come basis. We are also working to reduce waste by removing the printed program and replacing it with a pocket program and conference app.

We anticipate another successful ASM which we predict will attract strong delegate numbers, and we look forward to you joining us on the Gold Coast next year.

Kind Regards,

**Dr John Grieve**
